

Time	Agenda	Speakers
<b>Pharma Compliance Track</b>		
8:00	Registration & Welcome Coffee	
8:15	Opening Remarks - Welcome & Introduction	Thermo Fisher Scientific IETS Dr. Dhaval Patel Sr Manager, Products & Applications
8:30	Building Robust, Compliant Methods: Method Lifecycle Management & USP <621>	IETS: Summarize key points (Vietnamese) Ryan Ong Application Scientist, SEA
9:15	From Compliance to Confidence	IETS: Summarize key points (Vietnamese)
9:45	Networking Break	
10:05	Future proofing your approach to Pharma Impurities regulations	Dr. Dhaval Patel Sr Manager, Products & Applications IETS: Summarize key points (Vietnamese)
10:45	Heavy Metals in Pharma — Advanced Chromatography & Elemental Solutions	IETS
11:05	Small Tools, Big Impact — Optimizing Chromatography with Columns & Consumables	IETS Service
11:20	Q&A Discussion & Survey	
11:35	Networking Lunch	
<b>Ion Chromatography User Meeting Track</b>		
11:20	Registration & Lunch for IC User Meeting	
13:05	Opening Remarks - Welcome & Introduction	Thermo Fisher Scientific IETS Ryan Ong Application Scientist, SEA
13:20	Ion Chromatography in Pharmaceutical QC	IETS: Summarize key points (Vietnamese) Bart Cleeren, APJ Manager Market Development
13:50	From Textiles to Aqueous Matrices: PFAS Screening Using Cindion™ Combustion Ion Chromatography	IETS: Summarize key points (Vietnamese)
14:20	<b>Guest speaker sharing</b> Application of Ion Chromatography in Quality Control and Regulatory Compliance of Agricultural Products and Foods	<b>Guest Speaker</b> Vuong Quang Huy Lab Manager CCIC
14:40	Networking Break	
15:10	Join the Mass Movement: Advancing Environmental and Food Safety Analysis with IC-MS	Bart Cleeren, APJ Manager Market Development IETS: Summarize key points (Vietnamese)
15:40	IETS service/ Enhance and optimize IC analysis methods.	IETS Service (PQ Thang)
16:10	Q&A Discussion & Survey
